How to Use Your Smartphone

Handheld technology improves connections with your friends and family. It’s also fun! Voice dial, text, search the web, use maps, calendars, reminders and notes, take and edit photos, and find helpful apps. Linda has been teaching this class to seniors and mature job seekers for over seven years. Note: Basic computer use or previous cell “flip” phone use recommended.

10 a.m.-12 p.m. | Monday and Wednesday | Start date: 8/3/15 | End date: 8/12/15
Building 1100, Room 1101 | Instructor: Roddis, L. | Tuition: $18.80
P-CMP 109 | Item 6914
